

Divine Protection

Blessings Rev Davis. This dream was given approximately 15 years ago. In this dream, it was night time and I was an observer of myself going into a party store. Even though it was a dark setting in the dream, at no time did I have any problem seeing what I was to witness. There is no doubt, the darkness is symbolic of a condition.

Jesus in the Gospel of the Holy Twelve Lection XCV verses 3-4, spoke about the condition of this last day generation.

3. I have set you (My Twelve Disciples) as the Light of the world, and as a city that cannot be hid. But the time cometh when darkness shall cover the earth, and gross darkness the people, and the enemies of truth and righteousness shall rule in My Name, and set up a kingdom of this world, and oppress the peoples, and cause the enemy to blaspheme, putting for My doctrines the opinions of men, and teaching in My Name that in which I have not taught, and darkening much that I have taught by their traditions.

4. But be of good cheer, for the time will also come when the truth they have hidden shall be manifested, and the light shall shine, and the darkness shall pass away, and the true kingdom shall be established which shall be in the world, but not of it, and the Word of Righteousness and Love shall go forth from the Centre, even the holy city of Mount Zion, and the Mount which is in the land of Egypt shall be known as an altar of witness unto the Lord.

And it is written in Revelation 11:8. Which is spiritually called Sodom and Egypt, where also the Lord was crucified; shall be known as an altar of witness unto the Lord.

In this dream I was shown standing on a narrow white sidewalk that stretched both ways for quite some distance. This side walk was right in front of the party store. Behind where I was standing, was the blacktop roadway with some green grass between the roadway and the sidewalk. Both the sidewalk and roadway were parallel to one another.

I then saw myself leaving the white sidewalk, and walking up to the front door of the party store. I then opened the door, and went inside. As I entered the store, to my left I saw the woman who was the owner of the store leaning upon the counter with her elbows. We looked at one another, but no words were spoken. I then slowly walked to the back of the store. Just to the left of the back wall of the store, was a door that was closed. I opened the door. It was completely dark other than the light from the store protruding a short ways into the darkness. As I looked down I could see that there was a few steps leading down into this dark area. When I walked down the steps onto the level area I began to feel a very strong evil presence. I only stood there for a few moments, before turning around and exiting very quickly.

I kept up the fast pace until I was outside the store and standing on the blacktop road. Just seconds after I exited the store, I saw an enraged man of great size come running out of the store. He was dressed in all black, and he was carrying a Huge weapon of some kind. As soon as he stepped onto the sidewalk he held this massive weapon waist high and began firing in the

direction that was to his right. It was apparently in the direction in which he thought I went?? It was obvious he could not physically see me.

What came out of this weapon was blistering fast fiery missiles!!! He must have shot a dozen or so times down the long straight sidewalk. Because the surroundings were so dark, the missiles reminded me of tracer rounds going out of sight down the sidewalk. Who ever this evil person or being was?? He had every intention of taking me out!!

At this point of the dream, I was then shown half way up in this Huge Tree that was in the grassy area between the narrow white sidewalk and blacktop roadway. From where I was observing all of this, the Large Tree was to my left. But, if looking at the Tree from within the party store, it was to the right. I was shown standing upon a large limb with my arms holding fast to the trunk of this massive Tree. It was so strange, because I saw myself in the Tree, and at the same time I was standing on the blacktop roadway watching all of this unfold.

What a sight it was!! When this evil man or being realized I was not on the sidewalk, he then began shooting up into the Tree. He scattered the fiery missiles all over in the branches. He seemed to know I was in the Tree, but he could not see me!!! At this amazing point, the dream ended.

A very important point was made at the end of this dream. In the Gospel of the Holy Twelve Lection LI titled The Truth Maketh Free. Jesus was speaking to the Jews concerning His words. (His Teachings). Some of those who were unbelieving among them became enraged at his words. In the 18 verse of this chapter, it states some were wrath and took up stones to cast at Him. And Jesus passed through their midst and was hidden from their violence. Until Jesus testimony had been completed, no one was allowed to harm Him. In like manner, only after ALL has been accomplished according to God's will and purpose, will anyone be able to harm us.

In the beginning when God began to speak to us concerning our calling, it was made clear to us, if we stayed so very close to the Lord Jesus Christ, we would receive divine protection. We were also told that the enemy knows who we are and he knows we are going to do great damage to his kingdom - Babylon. Not by our might or power but by God's Holy Spirit!

The party store represents things the evil one uses to entrap the unexpected and unlearned. Knowledge is the key to knowing how to defeat Satan and his cronies, the demons. The lady who owned the store, was a person who had no understanding of the tactics the evil one uses to seduce and deceive the masses.

I was not sent into the store to confront her. I was sent to confront and expose the workings of the evil man hiding in the lower area of darkness. This evil man is none other than Satan himself!! He is the head and originator of all evil. The father of all lies and deceits. He and his demonic cronies work undetected to those who lack knowledge and understanding.

Just as it is stated in Hosea 4:6. My people are destroyed for lack of knowledge; because you have rejected knowledge, I will also reject you that you shall be no more priests, pastors to Me, seeing you have forgotten the Law of your God, I will also forget your children.

In the Clementine Homilies Chapter IX How Demons Get Power Over Men. Peter explains how this takes place. Also Chapter X How they are to be Expelled. Peter, as taught by the Prophet of Truth, Jesus Christ, speaks explicitly concerning these very important matters, of which, no such teachings can be found in the canonized KJV bible.

But, as Jesus prophesied in the Gospel of the Holy Twelve. The time would come, when God's laws would be revealed and the traditions of men taught by demons would be made known. We are now in those times!! And, the Lord Almighty God holds the priests, pastors and false prophets mostly responsible for the condition of the people!

In the party store, there are many snares and entrapments to be had by the unlearned and unexpected person. Many in the times we live in, have no idea how the demons use them to satisfy their insatiable appetites for meats, sexual pleasures, mind altering experiences and many things contrary to the Covenant of Love and Laws of God. The Large Tree in which I took refuge, was symbolic of the Tree of Life. This is none other than Jesus Christ Himself, who, sent me inside the party store to expose the hiding place of the evil one. This enraged Satan!

The blacktop roadway is the wide path that leads to destruction. And between the blacktop and the party store, is the white narrow sidewalk. The Lord is going to place prophetic understanding (white path) between the blacktop and the snares and entrapments represented by the party store. But first, the Lord Jesus Christ will send us to the house that is called by His Name.

The call will be made: Revelation chapter 17. Come out of her my children, that you receive not of the plagues and judgments that will befall her: The Whore of Babylon.

Then afterwards; Revelation chapter 18. We will be sent into the mists of Satan's kingdom Babylon.

That is why after quickly retreating from the party store, I was shown standing upon the blacktop. This represents our prophetic ministry to the world that is misled by the trickery and seductions of the evil one and his demonic cronies. Right now, God is beginning to muster together a Mighty Army of Light to do battle against the lies and falsehoods of the evil one. There is no doubt about it, this is going to be a hard fought battle.

Revelation chapter 19. When our Lord and King Christ Jesus returns riding the white horse and the saints dressed in fine linen are with Him, the final blow to Satan and his evil kingdom will be accomplished!!!

Rev Davis, what God has called you and others to accomplish is of the utmost importance. God is now preparing and bringing together His called and faithful followers to do battle against Satan's evil kingdom. Light against darkness. And, we know who wins in the end! All Praise, Glory and Honor to Father Mother God, the Son Christ Jesus, and The Holy Spirit. For ever and ever amen.
