

Hatred toward the Genuine Teachings of Christ

I received this dream by the Holy Spirit in the early morning hours, on the date of 2-3-1999. The dream begins on a sports field, which resembles a place where the American game of football is played outside. The sports field was made in a way in which it was below ground level, by about ten feet, with steep banks all around it, to the main level of land above. The sports field had side lines for out of bound markers, it also had end zones at opposite ends of the field, with lines which went across the field from side line to side line, every ten yards, to each end zone.

On the sports field was two players, one against the other at the middle of the field. One of the players on the sports field is a close relative of mine, who is seven years younger than myself. And the other player on the field was myself. In my right hand is the message the Lord has given my brother and myself, to take to his people, who are called by His name. I was running toward the one end zone and trying to score, but with great difficulty, because my relative was against me. He wanted to stop me from reaching the end zone with the Lord's message. As I tried to get around him, I went toward the right side of the field and ran quickly down the side line, hoping to out run him to the end zone. But he had the angle on me and caught up to me with twenty yards to go.

I remember I did not want to run out of bounds, so we hit with great force. I had no choice, I was not to run out of bounds. There was no stopping the clock in this great sports event, so we hit with great force. And as we did, my relative was knocked out of bounds and fell into a big pile of human dung, outside of the side line. I wanted to continue to run in and score but I was froze in place and not able to move any further. It was then that I heard the Lord's voice say to me, (It must not be forced.)

As soon as my relative got back on his feet he was really mad because he was covered with human dung. And now more than ever, he wanted to stop me, and the message I was holding on to. When he came back into play, my legs could move again. And this time I ran from the twenty yard line towards the middle part of the field, to about five yards from the end zone. This is where we hit with great force for the second time. He was knocked down again, and like before I could not move my legs. It was then that the Lord spoke to me again, (It must not be forced.)

As I looked down at my relative on the ground still covered with humane dung, he was cursing at me with great intensity, but at no time was the dung ever on me, then the dream ended. This dream is about the great resistance the defiled church and some of it's members will give to the bringer, of the True Teachings of Christ. It will be a hard fought battle between the defiled church and the Genuine Church of Christ.

My relative is a symbolic type of a staunch believer in the defiled bride's doctrine. He believes in the blood sacrifice of Christ for the remission of sin. And is a flesh eater as well as an active hunter and fisherman. In the dream I am holding onto the dreams and visions my brother and myself has received by the Holy Spirit, in book form. All the visions are backed up by various scriptures from some parts of the Holy Bible, and parts from The Gospel of the Holy Twelve, as

well as parts from The Clementine Homilies, and some parts of The Complete Dead Sea Scrolls, in English-Geza Vermes.

Only by reading these Holy Spirit directed scriptures, were we able to understand the ancient symbols we were given in the dreams and visions. I want the reader to understand that many of the dreams and visions came first, before we read all the other books of scripture, except for the King James Bible. It's important the reader understand that my brother and myself were raised up in the religion of the defiled bride, Christian church. Yes, we know first hand, what we will be up against. Why did the Holy Spirit show my cousin, as one who would battle against this message my brother, Russell, and I received? Because we are all related to the church family that is called by the Lord's name.

In the dream as my relative battled against me, I was not to go out of bounds. And I was not to forcefully push it on anyone. We are given free choice to choose or reject Truth, when it is given, in due season. This is a symbolic type, as staying within the Law of Love, Christ Jesus gave to His disciples, during The Transfiguration on the Mount, The Giving of the Law, in Lektion XLVI of The Gospel of the Holy Twelve. I will not write this portion of scripture because we have many times before, in past dreams and visions.

The counterfeit doctrine within the King James and Catholic Bibles, verses the True Doctrine of God and Christ Jesus that is within the Gospel of the Holy Twelve, and The Clementine Homilies, and the Dead Sea Scrolls, will be the battle line between the two church groups that use the Lord's name. One side is defiled and deceived, and the other side has held onto the genuine teachings of our Lord Jesus Christ.

One more point I want to make clear, is that JOVA GOD is going to give the genuine teaching's, precedence over the defiled bride churches doctrine in this last day generation. It will not be by our might, nor by our power, but by My spirit, saith the LORD of hosts. This was spoken to ZECHARIAH in chapter four verse six of the King James Version of the Holy Bible, and this was also the very beginning scriptures the Lord showed to my brother and I, after our anointing.

Now I would like to bring some scriptures together concerning this dream. First of all, my relative was shown as trying to stop the message my brother and I had received from the Lord, which we're to give to the defiled church. And in doing so, he was shown in the dream to be covered with dung as we collided with great force, and was knocked out of bounds.

In the past dream titled The Scoffer, I was shown a dung beetle, attaching the mans head area as he scoffed at the message I gave in the dream. Again the message had to do with The Law of Love being the genuine teaching's of Christ. The scoffer was attached in the head area because his mind was defiled like dung, because, that is what the dung beetle eats, and reproduces its young in.

This is a symbolic type of a defiled mind which corresponds to the defiled churches' doctrine. This is why I had to put these two dreams back to back. The Holy Spirit is showing here, that without a shadow of a doubt, their doctrine is defiled. This man in the dream was in opposition to the Law of Love, just like my relative in this dream. Why? Because he was covered in dung after trying to stop the message the Lord has given us, that we're to take to the defiled churches.

In a dream given to my brother Russell, titled, The Fence and the Red Jacket, a man was shown to jump unto my brother Russell's back and try to bring him down, from completing his message. The message given make it clear we are going to face great opposition from some of the defiled churches' people.

King James Bible, KJV

Chapter 16:1-3.

1. THESE things have I spoken unto you, that ye should not be offended.
2. They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.
3. And these things will they do unto you, because they have not known the Father, nor me.

Little do they know the defiled bride church has embraced a counterfeit doctrine. How could they be so deceived?

The Gospel of the Holy Twelve

Parable of the field the good seed and the tares

Lection XXXIX: 7-10

7. AND he spake another parable, saying: The Kingdom of Heaven is like unto good seed that man sowed in his field, but in the night, while men slept, his enemy came and sowed tares also among the wheat, and went his way, But when the blade sprung up and brought forth fruit in the ear, there appeared the tares also.
8. And the servants of the householder came unto him and said, Sir, didst thou not sow good seed in thy field, whence then hath it tares? And he said unto them, An enemy hath done this.
9. And the servants said unto him, Wilt thou then that we go and gather them up? But he said, Nay, lest haply while ye gather up the tares, ye root up the good wheat with them,
10. Let both grow together until the harvest, and in the time of the harvest I will say to the reapers, Gather up first the tares and bind them in bundles to burn them and enrich the soil, but gather the wheat into my barn.

The Gospel of the Holy Twelve Lection

Jesus Expounds His Inner teachings to The Twelve

XL: 6-12

6. THEN Jesus sent the multitude away and his disciples came unto him, saying, Declare unto us the parable of the field; and he answered and said unto them, He that soweth the good seed Is the Son of man; the field is the world, the good seed are the children of the kingdom, but the tares are the children of the wicked one. The enemy that sowed them is the devil, the harvest is the end of the world, and the reapers are the angels.

7. As therefore the tares are gathered and burned in the fire so shall it be in the end of this world. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity, and shall cast them into a furnace of fire, and they who will not be purified shall be utterly consumed. Then shall the righteous shine forth as the Sun in the kingdom, of Heaven.

Let the reader understand the field in the dream represents the world. And staying within the boundary lines, is symbolic as staying within, the Law of Love. The clock in the dream represents the end of the Church age. The football arena that is shown as descended, represents the defiled church. This is where the battle will take place. And at the five yard line where the dream ends represents the end of the two Witnesses ministry. At the coming of Christ, at His second return, He will finish it.

The two Witnesses are killed just prior, to Jesus second return. This is found in REVELATION.

REVELATION 11:7, KJV. And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

REVELATION 17-19, KJV, is about Christ second return. He brings forth a mighty army with Him, the redeemed of God, and destroys the workings of the evil one's empire and the great harlot, the defiled church. Now, the doctrine of the evil one brings forth tares into the world. But the doctrine of the Son of man (Jesus Christ), brings forth the wheat. The lost children of Israel are in spiritual bondage to the evil task master, the evil one. They have believed his counterfeit doctrine. Only the Truth will set you free. This freedom only comes through the genuine teachings of Jesus Christ doctrine. And only by obeying His doctrine, are we made clean through the Law of Love, Jesus Christ taught to his disciples.

The Gospel of the Holy twelve

Lecture LXXVI: 5-6

5. A new commandment I give unto you, that ye love one another and all the creatures of God. Love is the fulfilling of the law. Love is of God, and God is love. Whoso loveth not, knoweth not God.

6. Now ye are clean through the word which I have spoken unto you. By this shall all men know that ye are my disciples if ye have love one to another and shew mercy and love to all creatures of God, especially to those that are weak and oppressed and suffer wrong. For the whole earth is filled with dark places of cruelty, and with pain and sorrow, by the selfishness and ignorance of man.

The Gospel of the Holy Twelve

The Eight Day After The Resurrection Lecture

LXXXVII: 1-5

1. AND after seven days again, his disciples were within the Upper Room; then came Jesus, the doors being shut, and stood in their midst and said, Peace be unto you, and he was known unto them in the holy Memorial.

2. And he said unto them, Love ye one another and all the creatures of god, Yet I say unto you, not all are men, who are in the form of man. Are they men or women in the image of God whose ways are ways of violence, of oppression and wrong, who choose a lie rather than the truth?

3. Nay, verily, till they are born again, and receive the Spirit of Love and Wisdom within their hearts. Then only are they sons and daughters of Israel, and being of Israel they are children of God, And for this cause came I into the world, and for this I have suffered at the hands of sinners.

4. These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled which were written in the law of Moses and in the prophets, and in the psalms, concerning me.

5. And Jesus said, I stood in the midst of the world, and in the flesh was I seen and heard, and I found all men gluttoned with their own pleasures, and drunk with their own follies, and none found I hungry or athirst for the wisdom which is of God. My soul grieveth over the sons and daughters of men because they are blind in their heart, and in their soul are they deaf and hear not my voice.

In conclusion I pray that our messages (the brothers) and the teaching of the Holy Scriptures, by the anointed Reverend Roderick C. Davis, will help many find the Truth, that will set many free, in this last day generation.

Your Humble Servant Through Christ,

Paul Michael Maddock
