

## The Anointing - Paul Maddock

God anointed me in the late summer of 1993. Anoint means to pour oil upon, to consecrate. The word consecrate means; to make or declare to be sacred, by ceremonies or rites; to appropriate to sacred uses; to set apart, dedicate, or devote to the service and worship of God. To render venerable; to make respected; as customs or principles consecrated by time, to devote to a sacred or high purpose; to hallow.

This super natural act of God upon my life has dramatically changed me forever. Even now, when I think about it I am amazed by His great power, mercy and love.

I was in one of the most difficult times of my life when God chose to anoint me. I was going through a dreadful divorce from my wife of six years. I found out that she was unfaithful to me and broke the covenant of marriage between us by having an affair with another man. We have a son that was four years old at the time. God has taught me much about the condition of many of His people by this painful experience. It has been a great spiritual awakening to me, and hope and pray it will be to you also. Let me tell you about it.

I was on my knees in prayer before God one night about midnight. I was crying out to Him to help me get through this divorce. That day I had seen my lawyer and I told him about my wife's car being at her boy friends house at five in the morning. I had seen it on my way to work. She had just moved out a few days before. I was greatly troubled because I had no idea where my son was. My lawyer said there is nothing I can do because this is a no fault divorce.

As I was crying out to the Lord in prayer that night, I said "Lord, I give you my whole life, my whole life!" Suddenly, with my eyes closed, a small window appeared about five feet above me. The window was slightly two feet to my left and was about the size of a sheet of typing paper. It was closed but I could see light coming from the seams of the window.

I was facing north on my knees in prayer by my sofa, in front of a big picture window in my living room. Then the Lord took me out of my body and across the other side of the room. I was about twelve feet away from my body, which was now shown to me as semi-transparent. Inside my body was shown to me a large white vessel. Its shape was wide at the mouth area and narrower at the neck, with a wide and larger base. There was a bluish white aura all around it, and the color of the vessel was the most radiant white, the same white light that was coming from the seams of the small window above me.

This white light was very bright but in no way did it ever hurt my eyes. The large vessel that was inside me was from the top of my head to the lowest part of my groin area. Then the Lord took me by His Spirit and elevated me off the floor and over my body with the vessel inside. It was then that the Lord began to lower me down inside the empty vessel and turn me clock- ways, ever so slowly so that I could see how clean and spotless it was.

The vessel inside reminded me of thermos bottle, which was metallic looking down in. The light was also within the vessel also. Then the Lord brought me back out from the vessel counter clock-ways and placed me back inside my body. I could now see the closed window above me;

the inside as well as the outside of the vessel which was inside my semi-transparent body. I could also see the surrounding room all at the same time. Then the Lord opened up the small window above me, and out came a controlled stream of crystal clear oil in about a three inch diameter stream which was being directed right toward my head from the window above me.

The stream of oil had a slight arch to it as it approached my head from the window above. And just before the oil reached me, my head was tilted back by the Holy Spirit of God, and He began to fill my vessel. Now I could see that there were three shapes of precious stones in the oil also. The stones were clear crystal and three different sizes, and the light was in the stones also. The first shape was in the shape of a rectangle and about three inches tall, one and a half inches wide and one half inch thick, with many precise cuttings. This stone was very majestic looking.

The second stone was in the shape of two triangles base to base, with its two smallest points at the top and bottom. Its size was two and one half inches tall and its widest part was its center, which was about one and one fourth inches wide.

The third shape was in the shape of a hexagon, which was about the size of my ring finger nail, and its thickness was about one quarter of an inch. All the stones were three-dimensional. I would say there was about one half gallon of these three shapes of crystal stones, mixed in with the oil within the vessel.

The stream of oil did not stop until the vessel was filled to its fullest point, without running over. Not even one drop of the crystal clear oil was spilled during the whole duration of time it took to fill my vessel. After the stream of oil stopped, I saw the Glory of the Lord that was poured into my vessel, for a period of time, which I would say, was about three minutes.

The crystal stones and clear liquid moved in a constant rhythmic motion. Because now in the bottom of the vessel was shown to me a spring which came from the bottom of the vessel. I was completely struck by the beauty of the Lord's Holiness, which was being shown to me. The color was like looking through a prism with the sun shining through it. All the colors of the rainbow were there. The color of the covenant of God.

Then the light of the moon which shown through the large picture window, was blocked out for a split second as something moved by it. It was then that I noticed these two large beings pass by the window in front of me. I saw their silhouettes as they glided in a full circle around the living room, counter clock-wise. They were at least seven feet tall, with one being a little taller than the other.

The taller of the two was wearing the type of head attire that a priest would wear. And the second one was wearing what looked like a helmet that a warrior would wear. They were shoulder to shoulder as they circled me.

My brother Russell, who was anointed a short time before me, saw the same two angels in his living room. I truly was in another dimension at this time. All these things I saw at the same time. I have described them to the best of my ability.

After the two large angels made a full circle around me in the living room, I was back in the physical state. All that was shown to me disappeared including the small window. Immediately I

heard the Lord speak to me saying, “What I have given you will never leave unless you turn your back on me and walk away. Then I will take it as quickly as I have given it unto you. I am going to restore all your losses and then some.”

My wife had left me and took my son and most of our possessions. The house was empty. In many of the dreams and visions the Holy Spirit has showed this to be a condition of the heart within the church in the last day generation of the Fig Tree. Much of the church has listened to the spirit of a counterfeit christ, and has embraced the lie. The Lord calls that part of the church that believes this false doctrine “the Defiled Bride.” The spiritual place in which she dwells is called Babylon

Much of the church in this last day generation is in Babylon, which means Babel or confusion toward the TRUTH of God’s Word. The Lord spoke to me these words just after He said I am going to restore all your losses and then some;” Move when I tell you to move, and stay when I tell you to stay. Do not go before me and do not lag behind.”

The Lord’s holy Spirit has taught us this great TRUTH, because the Lord is the authority of all TRUTH. My son represents the children who have been raised up and taught in Babylon. By the Great Harlot, the Defiled Bride, his mother, who ran after another lover. The Defiled Bride which is the church that has embraced another lover’s words as truth has taught the child, the doctrine of Babylon.

But the Lord is fighting for his children. By His mighty Holy Spirit, in the name of His genuine Son Jesus Christ, through His Anointed ones, He will bring the children out of Spiritual Babylon. I then asked the Lord about the two beings my brother and I had seen in our living rooms. It was then that the Holy Spirit spoke to my spirit, telling me to go to Zachariah chapter 3 and 4.

As I began to read in God’s Word about Joshua and Zerubbabel, the Spirit told me that this is the likeness of the two anointed ones. The rebirth of the Fig Tree represents the rebirth of the Spiritual Israel. This is none other than the true church of Jesus Christ. The true Bride of Christ.

In Zechariah 3:1-7, the Lord chose Joshua to govern his house. And we see how Satan the accuser, tries to oppress Joshua the High Priest, but is rebuked by the Lord. Then the Lord causes Joshua’s iniquity to pass from him.

The command and promise to Joshua from God is in 3:7-8. Thus saith the Lord of host; If thou wilt walk in My ways, and if thou wilt keep My charge, then thou shalt also judge My house, and shalt also keep My courts, and I will give thee places to walk among these that stand by. Hear now, O Joshua the high priest, thou, and thy fellows that sit before thee: for they are men wondered at: for behold; I will bring forth My Servant the BRANCH.

This Branch is none other than Christ Himself. And who are these fellows or colleagues; men wondered at, men to serve as signs of one greater? Remember the Holy Spirit said that this was the likeness of the anointing.

Let us continue in 3: 9-10. For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: Behold, I will engrave the graving thereof, saith the lord of hosts, and I will

remove the iniquity of that land in one day. In that day, saith the Lord of hosts, shall ye call every man his neighbor under the vine and under the fig tree.

The Lord showed Joshua the second coming of Christ, and how it would be ushered in by the men of signs: men to serve as signs of one greater, which is Christ himself. This will bring in the 1000-Year Millennium upon the earth.

The Lord showed Joshua and wanted him to know how he was included in His great plan, for he was chosen to rebuild the temple that was ravaged by Nebuchadnezzar the king of Babylon. The foundation of the first temple, which Solomon built, was still there and that foundation is TRUTH.

Now Joshua who was born in Babylon, which is the likeness of spiritual confusion, is chosen by God to lead in the rebuilding of the second temple, which is the very temple in which Christ the Lamb of God would stand and speak the TRUTH.

Now as we look at Zechariah 4:1, where God is speaking about Zerubbabel. The angel of God is sent from heaven to Zechariah to encourage His people to work and rebuild the temple of God. The first temple was ravaged and the people spent years in Babylon because of their rebellious hearts toward God's Word.

In Zechariah 4:2 he is shown one candlestick which is symbolic of the covenant with God toward man.

In Revelation 11:4 is the symbolic meaning of the two covenants, the old and the new. The two anointed ones are shown to be here in flesh bodies, during the time span of the second covenant, which was brought in by the death and resurrection of Christ. This takes place just before Christ's second return. They speak with the powerful anointing of the Holy Spirit, with the TRUTH they have been given by God to lead the children out of spiritual Babylon. To prepare a holy Bride for Christ soon return.

The candlestick spoken of in Zechariah 4:2 is a golden stand with seven individual lit candles on it. The number seven is symbolic of God's spiritual perfection.

Zechariah 4:2-3 speaks about the spiritual meaning of the two Anointed Ones, which are shown as two Olive Trees. From the olive trees comes the oil which is symbolic of the Holy Spirit's TRUTH that fills the bowl. Then the oil travels down seven golden pipes toward the seven candlesticks, which are all on one stand. It is the oil, which keeps the candles burning. With out oil, that is to say TRUTH, the candle goes out.

Zechariah 4:4-5 So I answered and spoke to the angel that talked with me saying, What are these, my lord? Then the angel that talked with me answered and said unto me, Knowest thou not what these be? And I said, No, my lord. Here we see that Zechariah did not yet understand connection between the Two Anointed Ones and would be encouraged to rebuild the second temple in which their Savior would come. God is in control. He has chosen these two to work through Joshua and Zerubbabel, during Zechariah's time in the Old Covenant as well as in the New Covenant through the two witnesses.

God's angel explains to him how the Lord is going to do this, in the next verse. NOT BY MIGHT NOR BY POWER, BUT BY MY SPIRIT, SAITH THE LORD OF HOSTS. Not by the might of man, nor by the power of the flesh, but by God's Spirit will He accomplish His Word. Just as the oil flowed without the help of man thru the lamp stand. This oil is symbolic of the Holy Spirit.

In Zechariah 4:8-9 the angel of the Lord said to Zechariah, You will see Zerubbabel begin and finish the rebuilding of my temple in your days. 4:10 For who hath despised the day of small things? For they shall rejoice, and shall see the plummet in the hand of Zerubbabel with those seven; they are the eyes of the LORD; which run to and fro through the whole earth. During their short time here on earth, many people will despise the two Anointed Ones ministry.

Also a plum line is a device used to make sure the walls are strait and true. This is symbolic of their ministry. The eyes of the LORD will make sure it is accomplished. Our wall of safety is our LORD JESUS CHRIST. The two Anointed Ones preach the TRUTH about the true Christ but infuriately many will say at the true Christ's coming, 'Lord did we not prophecy, heal and cast out demons in your name? And the Lord will say "Away, I never knew you."

Many truths have been given unto us in open visions and dreams concerning the condition of many of the church's people in this last day generation. My brother and I are not to keep these Truths to ourselves but blow the trumpet of warning to all that will listen to the LORDS words. We understand that Paul's gospel in the New Testament is the working of the antichrist spirit. And much of the true teaching of Christ has been tampered with. We are anointed, called and have been prepared to lead the children out of spiritual Babylon and prepare the way for the lord's second return. And we also realize God is preparing a mighty army of true believers who have been anointed and chosen for this very special time. To have a Bride with out spot, wrinkle or blemish for Jesus Christ return.

Since my divorce the LORD has sent me a beautiful woman named Janine and we were married on the date 2-24-01. Look up Genesis 2-24. We fasted and prayed for Gods direction before we stepped out on our own. God's Holy Spirit awakened Janine all three nights during our fast at exactly 2:24 A.M. We then knew we had God's blessing. We then gave thanks to God for being faithful in answering our prayers. We then asked God to By His Spirit to come to our wedding. And at 2:24 P.M. we were pronounced man and wife by a pastor in 2001. And truly all my loses and then some have been replenished.

To me giving God my whole life is the most important thing I have ever done. And I believe Janine represents the Holy Bride of Christ, because she is always been true and loving to me alone. We know God is putting together a mighty army of true believers and every part of the body is just important as any other part.

The Gospel of the Holy Twelve

Lecture XC verse 4- Behold this crystal: how the one light it's manifest in twelve faces, yea four times twelve, and each face reflected one ray of light, and one regarded one face, and another, but it is the one crystal and the one light that shineth in all.

Lecture LXXVI-12 AGAIN Jesus taught them saying, God hath raised up witnesses to the truth in every nation and every age, that all might know the will of the Eternal and do it, and after that, enter into the kingdom, to be rulers and workers with the Eternal.

#### THE MEANING OF THE CRYSTALS

God is power, Love and Wisdom, and these three are One. God is Justice, Knowledge and Purity, and these three are One. God is Splendour, Compassion and Holiness, and these three are One. And these four Trinities are one in the hidden Diety, the Perfect, the Infinite, the Onely.

Likewise in every man who is perfected, there are three persons, that of the son, that of the spouse. And that of the father, and these three are one. So in every woman who is Perfected are there three persons, that of the daughter, that of the bride, and that of the mother, and these three are one; and the man and woman are one, even as God is One. Thus it is with God the Father-Mother, in Whom is neither male nor female and in Whom is both, and each is threefold, and all are One in the hidden Unity.

Marvel not at this, for as it is above so it is below, and as it is below so it is above, and that which is on earth is so, because it is so in Heaven. Again I say unto you, I and my Bride are one, even as Maris Magdalena, whom I have chosen and sanctified unto Myself as a type, is one with Me; and My Church are One. And the Church of the first born is the Maria of God. Thus saith the Eternal, she is My Mother and she hath ever conceived Me, and brought Me forth as Her Son in every age and clime. She is My Bride, everyone in Holy Union with Me her Spouse. She is My Daughter, for she hath ever issued and proceeded from Me her Father, rejoicing in Me. And these two Trinities are One in the Eternal, and are strewn forth in each man and woman who are made perfect, ever being born of God, ever conceiving and bringing forth God for the salvation of the many.

This is the Mystery of the Trinity in Humanity, and moreover in every individual child of man must be accomplished the mystery of God, every witnessing to light, suffering for the truth, ascending into Heaven, and sending forth the Spirit of Truth. And this is the path of salvation, for the Kingdom of God is within.

Lecture XXII Verse 7- but the water that I shall give him shall be in him a well of water springing up into everlasting life.

Lecture XXVI Verse 8- They who believe in me, out of their hearts shall flow rivers of water, and that which is given unto them shall they speak with power, and their doctrine shall be living water.

Verse 10- whosoever drinketh of the water that I shall give shall never thirst, but the water which cometh from God shall be in them a well of water, springing up unto everlasting life.

Lecture XXV Verse 2- Blessed are they who hunger and thirst after righteousness: for they shall be filled.

Verse 7- ye are the light of the world.
