

The Blood Red Jacket

Blessings Rev Davis. After doing much reading on your web site, which makes the point crystal clear concerning Jesus did not come to shed his blood for remission of sins. My brother, Paul and I have known this for quite some time now. The color of Paul's jacket being blood red, may and could possibly have something to do with the doctrine of blood sacrifice.

In the dream, I was going to remove the blood stained jacket. Because of the sin of false doctrine that is taught and believed, the higher mysteries are not attainable. I have no doubt, they will try and stop Paul and myself, when God sends us forth to proclaim what we receive after standing before Jesus Christ our Lord and King.

The casually dressed young man knew I was coming, and he was there to stop me from doing what I was sent to do. One can only imagine, what kind of a reaction this will bring when this begins to take place. 1Peter 4:17 states; For the time has arrived for judgment to begin with the household of God; and if it begins with us, what will be the end of those who do not respect or believe or obey the good news (the Gospel) of God?

That is why in many of our dreams, God has made it crystal clear, the defiled bride is going to dealt with. Thus as it is written in Isaiah chapter four; And in that day seven women (the defiled churches) will take hold of one man, saying. We will eat our Own bread and provide our Own apparel; only let us be called by your name to take away our reproach (of being unmarried).

I was given a dream of the foolish five virgins and the wedding banquet. I will send it soon. In the dream, one of the men went out and purchased wedding jackets at a garage sale. The salvation of our souls is Not cheaply attained as taught in most churches today. Just as God has directed you to make the strong point, and as it is spoken in the Holy Twelve, salvation is earned.

Lection XXV Sermon On The Moun: Jesus makes it very clear how we will be looked at with disdain for holding faithfully to the pure teachings of Our Lord Jesus Christ. God bless you and guide you as you do the wonderful and most important work God has called you to do. Our prayers and thoughts are with you. Brother Russell.
