

# **The Defiled Bride Embraces the Antichrist and the Beast System**

The dream first takes place in a single room with two separate beds. My ex-wife's bed which is on the left side, where she lies sleeping and my bed is on the right side of the room, where the floor is raised up a level higher than her side.

I am lying on my bed but I am awake. Then there is a knock at the door and my neighbor, whose voice I know, says my ex-wife's name. My neighbor said to her; he wants you to come out. My ex-wife replied, "tell him I am sleeping."

Now the name of the person who wanted my ex-wife to come out was taken from my memory but I know I heard it in the dream. Then my ex-wife gets up and looks over at me to see if I am awake and I am but I quickly closed my eyes, to see what she would do.

She then quietly gets dressed and goes out the door by her left side of the room and goes outside. I then get up on my side of the room, which is the right side, and there appears four very large windows which are about three foot wide and fifty or sixty foot high. As I look out the large windows I see a triathlon taking place which is three separate events.

The first event has already taken place, and as I look out the windows I can see that the second event is almost over. It is the swimming event and there are about ten or twelve men very tightly grouped and about ready to reach the shore, except for one man who is struggling way behind the others.

This man is built very strong with large muscles and he is much larger than all the rest of the men in the swimming event. His hair is straight and black with dark colored skin. By the time this man reaches the shore the other group of men are already three hundred yards ahead of him.

Now the last and third event of the triathlon is a foot race of about six miles. As I looked out the four windows I can see the whole race course as the men are about to run. I can also see the large body of water where the swimming event had just taken place. But the Bike course and the race itself, I was never shown. Why I don't know, but it was a triathlon for sure.

As I continued to look out the four large windows at the finish line I saw a huge multitude of people which were differently mixed and dressed in their ethnic dress, from different places around the world. The large multitude is cheering very loudly as some of the men come into sight in the distance. As the men are racing for position the strong man cheats and takes a shortcut that cuts right through the heart of the course which is in a large field with high weeds.

The strong man is hiding in the weeds just off the race course, waiting for the men to approach. He is well rested, so when the last man passes by he slips back in the course just out of sight of the large multitude of mixed people. Not one of the men in the race even notices this because they are so involved with trying to win the race.

Since the small group of men had been racing so hard and the strong man is well rested because he has cheated, he starts to pass the men one by one and is now in sight of the great multitude of people. The great crowd is very excited as the strong man takes the lead and wins the race in grand fashion, pulling away. As the strong man crosses the finish line first, my ex-wife embraces him and the great multitude goes wild with excitement.

This dream sets the stage for our understanding. My ex-wife is a type of symbol used many times over as the defiled bride of Christ. The Holy Spirit has shown her in this mode in different dreams. This is the first one.

We also believe that the Doctrine of Apostle Paul is counterfeit and is contrary to Jesus true teaching. I am depicted in this dream as an observer and also as a true believer in the genuine teaching of Jesus. We have embraced The Gospel of the Holy Twelve as the perfect way. We have received many dreams and visions that line up perfectly with its teaching. We did not come across The Gospel of the Holy Twelve right away but when we did, things became crystal clear.

We also believe that a lot of the Bible has been tampered with down through the ages. The defiled bride is not spiritually awake to the true Gospel and is set up for the great lie. The Holy Spirit has spoken to my brother and I on several occasions about this topic. And our desire is that she will awake to the genuine truth about what Christ taught.

Right now she is defiled and runs out after another one's teaching. This great evil imposter will be on the world stage very soon. The Holy Spirit spoke to us that in our generation all that I have shown you will be fulfilled. It breaks our hearts to think how many so called Christians are in the group of the defiled bride. Daniel 11: and 12: Daniel is shown the Anti-Christ and the end times. Revelation 13: John is shown The Beast that comes out of the Sea.

I just wanted to share this dream with you Reverend Davis, our prayers are with you and your work.

Your friend in the Body of Christ,
